

Dear <NAME>,

Thank you for your email. As a <STUDENT/PARENT/ALUMNI>, I have been proud to support <SCHOOL> in the past. Recently, I have been concerned about growing antisemitism on college campuses, As I evaluate my personal giving, I want to know that my contribution will be going to institutions that have No Tolerance for Antisemitism and ensure that there are consequences for harassment, intimidation and other conduct that violates student and faculty codes of conduct.

Before I commit, I want to learn more about what <SCHOOL> is doing to support Jewish students, ensure their safety and maintain a welcoming campus environment. I hope the administration is incorporating ADL's recommendations to ensure Jewish students are protected. Moreover, I am interested in how you are enforcing the code of conduct to protect the safety of Jewish students, and how you are demonstrating your commitment to no tolerance for harassment that creates a hostile environment.

I'm eager to learn more about what <SCHOOL> has planned to help stem the dangerous surge in antisemitism. Thank you.
